The City of Riverdale continues its annual free “Summer Concert Series” celebrating Gospel Music

(RIVERDALE, GA) The City of Riverdale presents the second of its FREE annual summer concert series on Saturday, June 19, 2010 at 8pm featuring gospel music artists [Wanda Trent-Phillips](#) and the [Lamar Sisters](#). The second show of the series will be held on the grounds of Riverdale City Hall, located at 6690 Church Street in Riverdale. “This is a program our residents look forward to each year,” says Assistant City Manager Lonnie Ballard. “Not only are the concerts a place for great entertainment and residents to reconnect, states Ballard, they also attract visitors from all over the metro Atlanta area.” The first concert of the series held in May was festive and well attended. The streets were lined with people dancing and enjoying the live R & B music. Riverdale Mayor Evelyn Wynn-Dixon praises the city’s community outreach initiatives. “Free activities like the concert series are important to Riverdale families, says Dixon, particularly during tough economic times. They provide an affordable means of family entertainment and elevate the quality of life.” For more information, please call (770)909-5385 or visit www.riverdalega.gov Remember to bring your lawn chairs to enjoy an evening of fun and great gospel music.
